

SWIM CLUB IS BACK!

The 25-26 season for the Wallumbilla SS Swim Club will kick off Friday 10th October. Club nights will be held on Friday afternoons from 4pm during term 4 2025 and term 1 2026. Training sessions will be available on Tuesday mornings for members who are interested.

All students are welcome to join the club. If your child can make it from one end of the pool to the other, they are ready for swim club! If you are unsure about joining, sign up for a Come and Try membership, which allows you to participate for free for a few weeks.

To join the club, purchase your membership through Swim Central <https://swimcentral.swimming.org.au/home>. Create an account or sign in to your existing account, select “Join A Club” on the homepage and search for Wallumbilla. All parents who will be attending club nights to supervise their children require a free Parents membership for insurance purposes.

If you have any questions, or issues with memberships, please contact Katie Frith on 0437 777 822.
